## Part II: Bill Provisions and the Estimated Fiscal Impact Relating to Local Government

HB 327 HCS amends KRS 431.076 to create automatic expungement of acquittals and dismissals with prejudice occurring after the effective date of the Act and allows expungement of past acquittals and dismissals with prejudice by petition. It allows discretionary expungement of felony charges held to the grand jury which have not resulted in an indictment.

The fiscal impact of HB 327 HCS on local governments is indeterminate and minimal due to the impossibility of predicting a percentage of those who may have records expunged. Local jails transfer custody of records upon release of inmates and will be unaffected. For local law enforcement agencies, there may be a minimal impact as manual expungements take less than 30 minutes, and computerized records take not more than five minutes to complete.

## Part III: Differences to Local Government Mandate Statement from Prior Versions

The fiscal impact of HB 327 HCS is the same as that of HB 327. Clarifying that "criminal charges" shall not include traffic infractions not otherwise classified as misdemeanors or violations" does not change the fiscal impact.
